THE WOOD, SASH, DOOR AND PAINT CO.

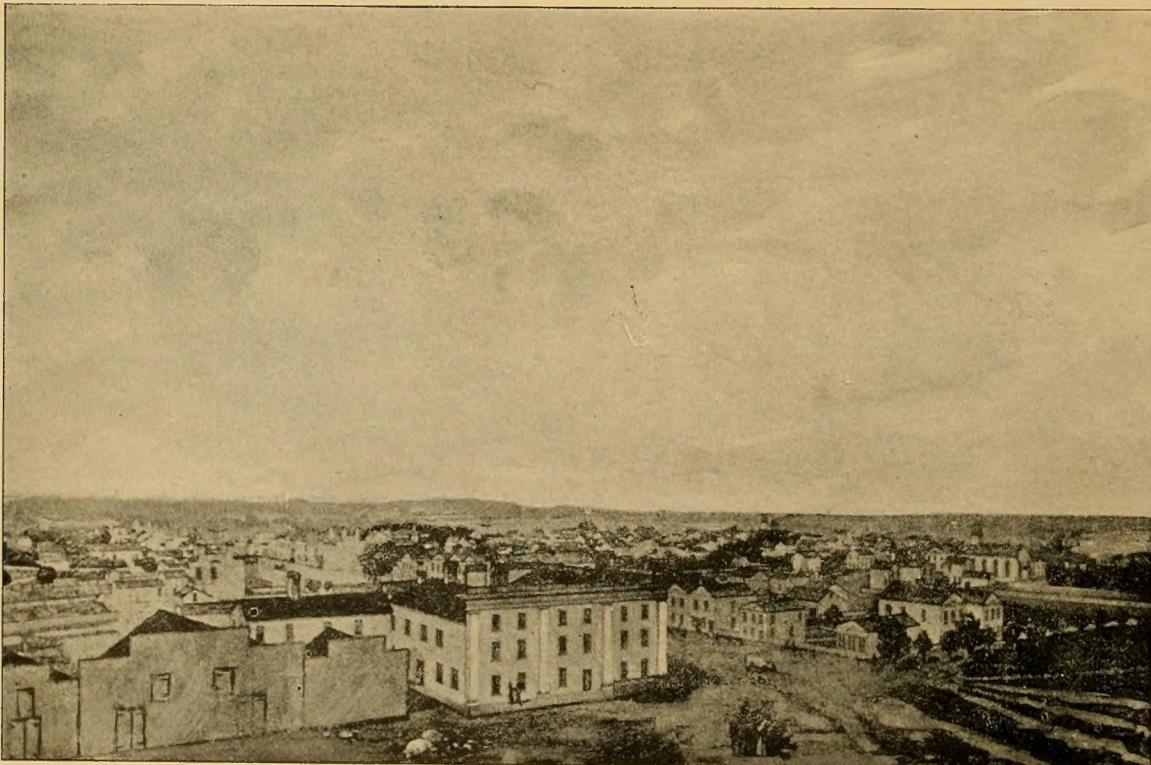

The enterprise of the Wood, Sash, Door and Paint Co. is one of the largest of its kind in this part of the city. It was established 12 years ago and incorporated in 1895. From this period of active endeavor and annually increasing output and reputation, the company stands today more vigorous than ever, the exponent of the results attending an enterprising and able management, and an illustration of its honorable business methods. The premises occupied are embraced in two floors, each 40x250 feet in dimensions, and employment is afforded to a full force of hands. The company are extensive dealers in doors, sash, mouldings, paints, oils, varnishes, glass, etc. The trade extends throughout the city and county and is especially large in the city. This company is held in the highest estimation in the trade for its enterprising and progressive methods, and justly merits the important success it has achieved. The establishment is located at 1296-1298 Euclid avenue. 'Phone, Bell East 203; Cuyahoga, M 1212.
